N E W S & V I E W S

Volume VIII. No. 6

September, 1960

Summer is gone! I wonder how many of you feel, as I do, that never has it seemed to have flown by so fast. As usual, I never got quite all accomplished that I had resolved to do, but all in all it was a good summer and I hope everyone of you had the best ever.

Our first meeting this fall will be held Thursday, September 29 (instead of September 22 as listed in the year book) and will be held at the Minneapolis downtown Y.W.C.A. at 12th & Nicollet. The room number will be posted on the bulletin board by the elevators. Time is 8:00 P.M. The program chairman has an interesting and informative program on tap and we hope there will be a large turn-out for this meeting.

The annual Iris Auction was held August 4, 1960 in the Lutheran Brotherhood Garden Court. By all standards, it was one of the best auctions we have ever held. The setting was perfectly beautiful, the weather was ideal, there was a large and responsive crowd and, thanks to Mr. Gable, auction chairman, there were more and better iris than there have ever been. The whole society wishes—I'm sure—to extend its heartfelt thanks to Mr. Gable and to the auctioneer, Gus Sindt, (spelled off by Mr. K. W. Fisher) for a job very well done—also to everyone else who had a hand in making the auction such an outstanding success.

Mr. Gable will make a report on the results at the forthcoming meeting—I don't have the figures for the actual amount taken in but I hear it was in the neighborhood of \$450.

* * * * *

Mr. Albert Nelson, who is a member of our society, is to speak on Putting the Garden to Bed for the Winter under the auspices of the Hopkins Council of Federated Garden Clubs, to be held at the First Methodist Church at Highway 7 at 17th Ave., Hopkins, on Monday, October 3, at 8:15 P.M. Coffee and cookies will be served. Tickets are 40¢ and can be purchased at the door.

This is a very timely subject and we hope some of the Iris Society members will be able to attend.

Your NEWS & VIEWS ran into difficulty this summer because of the lack of someone to do our mimeographing for us—but that has finally been taken care of and the Show results which are usually sent out during the summer will be included in this issue. I hope you will accept my apologies for the delay in

getting these to you.

Our show was held June 12 - 13 in St. Paul at the Commercial State Bank — and while not as large as some shows, still a very beautiful one and the quality of the blooms was good. Our thanks to Betty Von Buskirk, Gus Sindt and the whole show committee for a well planned — well co-ordinated show.
